Welcome

2021 Winners' Showcase

In association with
Lloyd's List 

Welcome to our 2021 Winners' Showcase, where we celebrate those who were successful in securing a Seatrade Maritime Award in 2021.

This latest edition of Seatrade Maritime Awards, which marked its 18th year, took place in association with Lloyd's List, and was the only presentation of its kind to take place during UAE Maritime Week 2021, which was held under the patronage of the UAE Ministry for Energy & Infrastructure.

Our winners stood out to our judges throughout both a competitive nomination campaign and two rounds of intense assessment. The strength, quality and volume of submissions received was outstanding, and each of our finalists are to be congratulated too.

Seatrade Maritime Awards will return soon. In the meantime, I encourage you to explore our Winners' Showcase and take pride in the achievements of maritime in the Middle East.

With best wishes

Mr Christopher Hayman
